

Terms & Conditions

1. Tang Art Advisory and One Art Nation (“We”) have produced the Art Advisory 101 Course (the “Course”) with the intention of giving participants in this Course (“You”) a better understanding of what it means to be a professional art advisor.
2. This Course covers basic art advisory principles that may be helpful for you to know about when you pursue a career in the art market. Taking this Course does not guarantee that you’ll find a job as an art advisor or that you’ll be able to successfully set up your own business. This Course is not an exhaustive list of all the issues that you may run into or that you may need to know about as an art advisor.
3. Based on survey results, we have incorporated the topics you told us you want to hear about. This Course focuses on art advisory for private clients (i.e. individuals as opposed to businesses) even though some concepts may be helpful for corporate curators or corporate art consultants.
4. This Course is provided for informational purposes only and may rely on information from 3rd parties for which we cannot guarantee accuracy.
5. We have taken every reasonable effort to ensure that the information provided in this Course is accurate and up-to-date. We reserve the right to correct any errors, inaccuracies or omissions and to change or update in-formation at any time, without prior notice (including after an order has been submit-ted).
6. The Course does not provide legal advice nor should any information we disseminate be taken as legal advice. No lawyer - client, advisory, fiduciary or other relationship is created between Tang Art Advisory and/ or One Art Nation and any per-son accessing or otherwise using any of the materials in this Course. Tang Art Advisory and/ or One Art Nation will not be liable for any damages, losses or causes of action of any nature arising from any use of any of the materials in this Course.
7. As an art advisor and/ or business owner you need to comply with the laws and regulations of the jurisdiction(s) in which you operate. This Course is US-focused and laws and regulations affecting art transactions or the operation of a business outside of the US may differ from what we discuss in the Course.
8. We have included a list of resources with each Module. The fact that we have included these resources does not necessarily mean that we endorse these re-sources, the companies or individuals that created them or the services those companies or individuals provide.
9. The Course consists of five pre-recorded modules, accessible to you online, at any time after you enroll in the Course. You are also entitled to participate in one live session with the Course Instructor to ask questions you may have as a result of viewing the modules. Please note that enrolling in the Course does not provide you with unlimited access to the Instructor’s time during or after you participate in the Course.
